we herewith confirm that for all our products as listed above no export licenses or export permissions for dual-use items are required stipulated in the following harmonisation legislation:

REGULATION (EU) 2021/821 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 20 May 2021 setting up a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items (recast)- in short: **Dual-Use Regulation** - (Annex I)

Further information to ensure the compliance with these guidelines contained in **Annex 1**.

This declaration is valid for all specimens which are manufactured according to the current production drawings – which are component of the technical documents. This declaration is no longer valid, whenever a change is made on the device.

This declaration is made for and on behalf of the manufacturer or his authorised representative
